

Europass Curriculum Vitae

Personal information

First name / Surname **CHRISTIAN SCHLITT**
Address
Telephone ++39.02.3568.661 (office) Mobile:
Fax ++39.02.3820.3163
E-mail schlitt.christian@asst-fbf-sacco.it; christian.schlitt@icps.it
Nationality German
Date of birth 07.05.1961 Varese (Italia)
Gender M

Occupational field

Work experience

Dates **Academic years 2015/2016 and 2016/2017**

Occupation or position held Visiting lecturer (professore a contratto)
Main activities and responsibilities Lessons on "Methods of analysis of chemicals in water, air, biological fluids, tissues, food" (CHIM/06) 1st year of Master Course in "Safety Assessment of Xenobiotics and Biotechnological Products"
Name and address of employer The University of Milan – Department: Scienze del Farmaco (marina.marinovich@unimi.it)
via Golgi, 19 - 20133 Milano - <http://www.unimi.it/ENG/courses/E52.htm>
Type of business or sector University training: Pharmaceutical, veterinary and medical biotechnologies

Dates **03/2007 → to date**

Occupation or position held Senior Scientific Officer
Main activities and responsibilities Responsible for the evaluation of Section I (Identity; physical, chemical and technical properties; methods of analysis) and Section III (metabolism; risk to consumers) fields of duties on behalf of the assessment of industrial dossiers within the European and National registration process of plant protection products. Participation as Italian delegate at EFSA expert meetings. REACH regulation. EU twinning projects.
Name and address of employer ICPS - International Centre for Pesticides and Health Risk Prevention - <http://www.icps.it/>
ASST Fatebenefratelli Sacco
Via G.B. Grassi 74 20157 Milano
Type of business or sector Governmental - Health Risk Prevention

Dates **11/2002 → 03/2007**

Occupation or position held Scientific Consultant

Main activities and responsibilities	National expert on Section I (Identity; physical, chemical and technical properties; methods of analysis) field of duties on behalf of the dossier assessment among the EC registration process of plant protection products (directive 91/414/EC). Drafting&proofing of chapters on Dose/Response Assessment and Risk Characterization on behalf of the EC funded project: "The INDEX project - Critical Appraisal of the Setting and Implementation of Indoor Exposure Limits in the EU" http://ec.europa.eu/health/ph_projects/2002/pollution/fp_pollution_2002_frep_02.pdf
Name and address of employer	ICPS - Azienda Ospedaliera – Polo Universitario Ospedale Luigi Sacco
Type of business or sector	Health Risk Prevention
Dates	07/1997 → 12/2001
Occupation or position held	Outsourcer
Main activities and responsibilities	Entrusted by the company to hold training courses: fundamentals on chromatographic techniques and associated detection systems, troubleshooting and maintenance, method validation with distinct approaches on environmental techniques and pharmacological applications, quantitative instrumental analysis and statistical evaluation of results.
Name and address of employer	AGILENT TECHNOLOGIES Italia S.p.a. (former Hewlett Packard Analitica (1998)) via P.Gobetti 2/C, I-20063 Cernusco Sul Naviglio (Mi)
Type of business or sector	Multinational (bioscience, communication, electronics)
Dates	06/1997 → 12/2001
Occupation or position held	Administrator and technical project manager
Main activities and responsibilities	EC Contract (FP4) "PROTOTYPING OF AN AUTOMATIC ON-LINE ANALYSER OF VARIOUS AIR POLLUTANTS", foreseeing: engineering, manufacturing and testing of a compact, transportable, user-friendly analyser for contaminants (http://www.cordis.lu/itt/itt-en/00-6/innov6.htm).
Name and address of employer	AnTeCo S.n.c (General Partnership - Analytical Technologies and Consulting)
Type of business or sector	Consultance
Dates	03/1994 → 12/1996
Occupation or position held	Grantholder and Auxiliary Agent
Main activities and responsibilities	Assessment of human exposure to volatile organic compounds (VOCs). Research on the association between human exposure and ventilation conditions in buildings and adsorption/desorption processes on indoor materials and surfaces. Testing of equipment for Volatile Organic Compounds (VOC) monitoring in the Indoortron chamber - http://ihcp.jrc.ec.europa.eu/our_labs/indoortron . Emission measurements in small chambers 0,45m ³ and micro-cells (FLEC). Tracer (SF ₆) dilution and constant tracer emission techniques.
Name and address of employer	Joint Research Centre of the European Commission - v.E.Fermi, I-21020 Ispra (Va/Italy) - http://ihcp.jrc.ec.europa.eu/
Type of business or sector	Research
Dates	09/1992 → 02/1994
Occupation or position held	Consultant
Main activities and responsibilities	Chemical-analytical support at the Environmental Toxicology Unit of the Institute. Collaboration in establishing and implementing analytical methods and tools for the determination of human inhalatory exposure to volatile organic compounds.
Name and address of employer	Department of Occupational Health - University of Milan, v.S.Barnaba 8, I-20122 Milano
Type of business or sector	Health

Education and training

Dates	11/1995
Title of qualification awarded	Advanced Degree in Toxicology

Name and type of organisation providing education and training

Università degli Studi di Milano, Italy

Dates

09/1991

Title of qualification awarded

Italian-doctoral degree in chemistry (organic-biological address) & qualification for professional practice

Name and type of organisation providing education and training

Università degli Studi di Pavia, Italy

Dates

07/1980

Title of qualification awarded

European Baccalaureate Certificate

Name and type of organisation providing education and training

European School (German Section) Varese, Italy

Social skills and competences

ICPS-Coordinator of EC funded Twinning projects:

Marocco - Santé & Protection des consommateurs MA06/AA/HE06 «Renforcement des structures de contrôles Sanitaires –Vétérinaires et phytosanitaires» (Morocco, Republic of Serbia).

Serbia - SR2005/IB/AG/02 "Institutional Capacity Building within the Phytosanitary Directorate of the Ministry of Agriculture, Forestry and Water Management".

Seminars held (2007-2010) at the respective Ministries of Agriculture on the Acquis Communautaire.

Organisational skills and competences

Provided training courses on fundamentals, troubleshooting, quantitative analysis and method validation concerning the application of HPLC, HRGC and associated detection systems, to about 200 companys' clients at Italian headquarters in Milan and Rome (AGILENT TECHNOLOGIES), at the Istituto Superiore di Sanità (ISS), Italian Regional Protection Agencies (ARPA), the Ente Nazionale Idrocarburi (ENI) and the Italian Scientific Police.

Technical skills and competences

5 years experience at the European Commission Joint Research Centre in Ispra; tasks and work covering human exposure monitoring and assessment, operation and use of a "walk-in" type experimental chamber and laboratory "Indoortron". Set-up and testing of experimental protocols for personal and environmental air sampling in the experimental chamber
http://ihcp.jrc.ec.europa.eu/our_labs/indoortron; set-up of a method for exhaled air monitoring of Volatile Organic Compounds (VOCs); research on the association between human exposure and ventilation conditions in buildings or adsorption/desorption processes on indoor materials; modelling of experimental results; real scale experiments on VOC adsorption/desorption on office materials and analytical determination of contaminants.
Prototyping, including engineering, manufacturing, and testing of a transportable, automatic on-line analyser for various air pollutants.

Computer skills and competences

Routine use as of 1992

Artistic skills and competences

Double-bass and guitar: Traditional Jazz and Mainstream: professional level, BEBOP e HARDBOP: amateur level

Driving licence Cars (<3.5 t)

Additional information

EFSA Expert Consultations

Pesticides peer-review experts meetings: The Pesticides Unit at EFSA holds expert consultations on scientific and technical issues related to the peer review of a substance. They involve scientific experts nominated by Member States, representing, among others, the International Centre for Pesticides and Health Risk Prevention (Italy).

Expert meetings on **Physical Chemical Properties** (Section I)

- 5-7 July 2005 at PSD/York/UK on behalf of the EFSA
- 1-3 March 2008 (PRAPeR 41) at EFSA/Parma Largo N.Palli 5/a
- 13-16 May 2008 (PRAPeR 46) at EFSA
- 21-24 April 2009 (PRAPeR 66) at EFSA

Expert meetings on **Residues** (Section III)

- 4 November 2014 (PRAPeR TC 106) at EFSA/Parma Via Carlo Magno 1/a
- 27 November 2014 (PRAPeR TC 107) at EFSA
- 13 January 2015 (PRAPeR TC 110) Teleconference
- 3-5 March 2015 (PRAPeR 127) at EFSA
- 15 October 2015 (PRAPeR TC 120) Teleconference
- 8-9 December 2015 (PRAPeR TC 135)

EC funded Twinning Projects

1) JUMELAGE INSTITUTIONNEL MEDA - MA 06 AA HE 06 - MAROC / consortium FRANCE-ITALIE-POLOGNE

Lieu de la mission: Ministère de l'Agriculture, du Développement Rural et des Pêches Maritimes - Avenue Hassan II – BP 1308 Rabat/Maroc

Titre del l'activité: Volet 1: Rapprochement de la réglementation et de la législation nationale en matière sanitaire et phytosanitaire vis-à-vis de la réglementation de l'Union européenne.

- 12 - 17 novembre 2007 Activité 1.3A: – Qualité des végétaux : élaboration et validation des projets de réglementation en matière de résidus de pesticides dans les produits végétaux et plans de contrôle. (semaine 2 et 3 /3)
- 14 - 18 Juillet 2008 Activité 1.4A: – Qualité des végétaux : Organisation de séminaires de présentation, de formation et de dissémination pour les différents acteurs du Ministère de l'Agriculture et de la Pêche Maritime sur les nouvelles dispositions

2) ITALY-SERBIA TWINNING - EU CARDS Twinning Project : SR2005/IB/AG/02

Mission location: Ministry of Agriculture, Forestry and Water Management - Str. Omladinskih Brigada, 1 - Belgrade (New Belgrade) SERBIA

Mission title: "Institutional capacity building within the Phytosanitary Directorate of the Ministry of Agriculture, Forestry and Water Management"

- 27 – 30 October 2008: Starting point: Serbian legislation; Objectives: Evaluation on Law on Pesticides; Topics to be addressed: Verification of acts to be implemented, 91/414/EEC, as amended – Placing of plant protection products on the market
- 19 – 21 November 2008: Content of the mission - Starting point: Serbian legislation, drafts of rules, Italian legislation and experience in matter; Objectives: consultations on harmonisation of Serbian rules with adequate EU legislation and Italian experience and regulation; Topics to be addressed: covering in more details the Annex III issues of Dir. 91/414/EEC, introducing 2003/82/CE (Annex V) and going further with the perspectives for member states according to the new draft regulation of the placing of PPPs on the market.
- 16 – 18 February 2009: Heading the mission: Preparation and implementation of an overall development strategy in PPPs; Objectives: Drafting the strategy regarding the pesticide sector of the PPD. Discussion on strategy to be realized in Serbia in the field of registration of PPPs.
- 19 – 23 October 2009: Starting point: EU pesticides' registration under Dir. 91/414/EEC – the evaluation of the physical and chemical properties; new Serbian Law; Objectives: Pesticides' regulation - the evaluation of the physical and chemical properties.
- 17 – 20 November 2009: Starting point: EU pesticides' registration under Dir. 91/414/EEC – the evaluation of the Analytical Methods, Post Registration Controls – planning and performing; Objectives: Pesticides' regulation - the evaluation of the Analytical Methods, Post Registration Controls – planning and performing.
- 13 – 16 April 2010: Starting point: EU pesticides' registration under Dir. 91/414/EEC – the evaluation of the Analytical Methods, Post Registration Controls – planning and performing; Objectives: Pesticides' regulation - the evaluation of the Analytical Methods,

Workshops/Congresses

EPRW 2012 – Vienna, Austria: 9th European Pesticide Residue Workshop. 25th to 28th June 2012
"Workshop on Reactive Indoor Air Chemistry" - Borås, Sweden, - September 29th – October 1st, 2008 - C.Schlitt. Oral presentation of : "Risk characterization of reaction products from ozone initiated terpene chemistry". on behalf of Life, Earth and Environmental Sciences Meetings in 2008 – European Science Foundation.

"INDOOR AIR 2008 - The 11th International Conference on Indoor Air Quality and Climate" 17 - 22 August 2008 Copenhagen Denmark. C.Schlitt, G.Garramone, A.Cattaneo, C.Peruzzo, M.Taronna, S.Pulvirenti, F.Vercelli and D.M.Cavallo. Oral presentation of : "Fine and ultrafine particle levels determined during everyday activities: The PM-CARE project" in conference proceedings.

"International Conference on Environmental Epidemiology & Exposure" ISEE/ISEA, Paris September

2 -6, 2006. "Assessment of Personal PM Exposure in the PM-CARE Project" by Schlitt C., Cavallo D., Taronna M., Catteneo A., Peruzzo C., Garramone G., Vercelli F., Pulvirenti S., Maroni M..

"28th International Congress on Occupational Health", Milan June 11 – 16, 2006. Oral presentation of "Critical Appraisal of the Setting and Implementation of Indoor Exposure Limits in the EU - The INDEX project (2002-2004)" by C.Schlitt, P.Carrer, K.Koistinen, S.Kephalopoulos, M.Jantunen, M.Maroni and D.Kotzias.

"International Conference on Environmental Epidemiology & Exposure" ISEE/ISEA, Stresa (Italy) September 21 - 25, 2003. Oral presentation of : "Stir bar sorptive extraction-thermal desorption – capillary GC-MS. A multi-residue screening method for pesticides in different matrices and for drugs in biological fluids" by Christian Schlitt, Pat Sandra, Bart Tienpont, Frank David.
