POSITION Junior technical analyst of environmental toxicology
Regulatory Affairs Plant Protection Products.

WORK EXPERIENCE

July 2019 – ongoing

Junior technical analyst of environmental toxicology

International Centre for Pesticides and Health Risk Prevention (ICPS) - MILANO

- Evaluation of dossiers submitted for the registration of pesticides at zonal/national level and for the registration of active substance at European level (physical and chemical properties)
- Classification and labelling of plant protection product in accordance with Reg. (EC) 1272/2008.

October 2017 – June 2019

Environmental consultant – Quality management system

Ecoeuro S.r.l. - via Manzoni, 33, Monza (MB)

- Technical-scientific consultancy: waste management, end of life vehicles, environmental authorisation processes.
- Development and implementation of Quality Management System (ISO 9001:2015)
- Internal auditor of Quality Management System (ISO 9001:2015)
- Help-desk for users of waste management software.

July 2016 – July 2017

National Civil Service Volunteer

Comune di Cuveglio, P.zza Marconi 1 - Cuveglio (VA)

- Back and front office: architecture, environment and city planning.

May 2015 - March 2016

Research Trainee for Ms Thesis

University of Insubria Varese – Como.

- Development of extraction and amplification protocols for analysis of ITS region in Antarctic mosses of the genus *Bryum*
- Analysis of phylogenetic and phylogeographic patterns

June 2014 - November 2014

Research student fellowship - Evaluation of waters contamination by PAHs and POPs"

University of Insubria Varese – Como.

- Analysis of PAHs concentration in snow samples by means of SPME and GC-MS
- Development of experimental design for evaluation of bioconcentration potential in aquatic macrophytes and related extraction and analysis techniques (chlorinated compounds from aqueous and biological matrixes)

February 2013 - March 2014

Research Trainee for Bachelor thesis

University of Insubria Varese – Como

- Evaluation of spatial variability of PAHs: development of experimental design, development of extraction and analysis techniques for analysis of PAHs from aqueous matrixes (SPME and GC-MS)

EDUCATION AND TRAINING

November 2017 – march 2018

Master course on HSE Management Systems

Alma Laboris Business School - Milano

- 40hrs Quality Management System ISO 9001:2015 and ISO 19011:2012
- 40hrs Environmental Management System ISO 14001:2015 and ISO 19011:2012
- 40hrs Safety Management System OHSAS 18001:2007 and ISO 19011:2012
- 24hrs Energy Management System ISO 50001:2011

March 2014 - March 2016

M.Sc. Environmental Sciences

110/110 cum Laude

University of Insubria. Varese – Como. Department of Science and High Technology, Como

October 2010 - March 2014

Bachelor degree. Environmental and Natural Sciences

110/110 cum laude

University of Insubria. Varese – Como. Department of Theoretical and Applied Sciences – Varese

PERSONAL SKILLS

Mother tongue(s)

Italian

Other language(s)

English

UNDERSTANDING		SPEAKING		WRITING
Listening	Reading	Spoken interaction	Spoken production	
B2	C1	B2	B2	B2
First Certificate in English - 2010				

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user
[Common European Framework of Reference for Languages](#)

Communication skills

- Interact effectively with superiors, colleagues and costumers.
- Good listener, usually aiming for concision and clarity when explaining my opinion.
- Open minded and willing to adapt to both positive and negative feedbacks.
- Experience in communicating and coordinating among different working groups.

Organisational / managerial skills

- Organize tasks to meet deadlines and work effectively even while training new resources.
- Some experience in managing office work and coordinating a tiny team of colleagues.

Job-related skills

- Good knowledge of the registration procedures for active substances and plant protection products in the National and European field (EC Reg. 1107/2009).
- Good knowledge of national legislation in the field of waste management and related administrative requirements
- Experience in the field of chemical risk assessment
- Experience in laboratory work.

Digital competence

- Good command of office suite (word processor, spread sheet, presentation software)
- Basic knowledge of graphic programs (GIMP, Photoshop)
- Basic knowledge of GIS program (QGIS)

Driving licence

B

ADDITIONAL INFORMATION

Poster

- Evaluating the spatial variability of PAH atmospheric concentrations through precipitation sampling. Melissa Morselli, Federica Tagni, Giuseppe Raspa, Antonio Di Guardo. Poster SETAC Basel 2014

Presentation

- La gestione amministrativa dei VFU - A.D.A. Associazione Nazionale Demolitori Autoveicoli - December. 2018

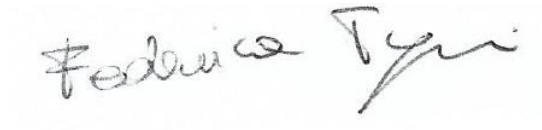

Courses attended

- Percorsi professionali in campo ambientale -Scuola per l’Ambiente di ARPA Lombardia –Giornate di studio: Il controllo in campo ambientale (8 ore), La qualità dell’aria (8 ore), il monitoraggio di acque superficiali e sotterranee (8 ore)

Other information

- Corsi di formazione su Gestione dei Rifiuti, Albo Nazionale Gestori Ambientali - TuttoAmbiente (vari 2017-2018)
- XV Convegno attività dell'amministrazione pubblica in materia di controllo di prodotti fitosanitari e dei residui di fitofarmaci, 21 Novembre 2019, Roma
- Associate to A.I.S.A. Associazione Italiana Scienze Ambientali from January 2017

Besozzo, 20th February 2020.
