Attendance to attend the "GIS for All" course, sponsored by Legambiente Lombardia (Qgis). February-June 2015

Using GloboGis-Solo1 software during the experience at the Municipality of Senago.

## **PERSONAL INFORMATIONS**

The desire of new emotions has led me to do MTB and mountaineering.

In my free time, I like to do naturalistic photography that combines my passion for nature and the search of particular moments and places.

*I authorize the processing of personal data pursuant to Legislative D.lgs 196/3*
