

# CURRICULUM VITAE

## PERSONAL INFORMATION

Name Teresa Mammone  
Address  
Telephone  
Fax  
E-mail teresa.mammone@icps.it

Nationality Italian

Date of birth

## EXPERTISE

- Principal areas of expertise
  - databases and web decision-support systems
  - regional risk prevention and safety promotion plans

## WORK EXPERIENCE

- Dates (from – to) March 2001 to present
- Name and address of employer International Centre for Pesticides and Health Risk Prevention (ICPS) – University Hospital Luigi Sacco – via GB Grassi, 74 - 20157 MILANO
- Type of business or sector Centre of reference for pesticides – Lombardy regional health service  
Collaborating centre of the Italian Ministry of Health for pesticides risk assessment
- Occupation or position held Senior scientist (biologist)
- Main activities and responsibilities Coordinator of ICPS activity on to databases and web decision-support systems for the effective handling and management of technical information on pesticides by policy makers and the scientific community.  
Responsible for the coordination of ICPS activities supporting the regional Health and Agricultural Directorate concerning the sustainable use of pesticides (development of regional risk prevention and safety promotion plans and identification of priority items).  
Coordinator of the regional "*Pesticide*" working group since 2010  
Adviser of the interregional working group "*Salute e sicurezza in agricoltura e selvicoltura*" (Occupational Health and Safety in Agriculture and Forestry)  
Adviser of the ministry national board involved in the *Sustainable use of pesticides – National action plan*  
*Coordinator of ICPS training courses.*
- Dates (from – to) From April 1999 to December 2000
- Name and address of employer ERSAF - *Ente Regionale Sviluppo Agricolo della Lombardia*
- Type of business or sector Centre of reference for pesticides – Lombardy regional health service  
Collaborating centre of the Italian Ministry of Health for pesticides risk assessment
- Occupation or position held *Advisor for EU LIFE Project –Supplying Sustainable Agriculture Production*  
Development of a GIS-based decision support system (named SUSAP) for sustainable use of pesticides.  
The project was co-ordinated by ERSAF (Regional Agency for Agriculture Development), in co-operation with the European Soil Bureau of the Joint Research Council (EC, Ispra) and the Catholic University "Sacro Cuore" of Piacenza (Italy).

- Main activities and responsibilities
  - Dates (from – to) Implementing a database containing information on soil characteristics and toxicological, ecotoxicological properties about pesticides used in intensive agricultural conditions;
- Name and address of employer
  - Type of business or sector From December 1996 to March 1999  
Centre of reference for pesticides – Lombardy regional health service - International Centre for Pesticides and Health Risk Prevention (ICPS)  
Centre of reference for pesticides – Lombardy regional health service  
Collaborating centre of the Italian Ministry of Health for pesticides risk assessment
  - Occupation or position held Research fellow
- Main activities and responsibilities Development of ICPS database (PESTIDOC – PESTicide DOCumentation) on national plant protection product.
- Dates (from – to) From January 1996 to November 1996
- Name and address of employer Hospital of Legnano (MI)
- Type of business or sector Hematologic Unit
- Occupation or position held Research fellow
- Main activities and responsibilities Flow Cytometry used for confirming diagnosis of chronic lymphocytic leukemia and to identified cell surface antigens (Cluster of differentiation - CD3/CD4, CD3/CD8, NK - markers) in HIV pathology.
- Dates (from – to) From October 1995 to Dicember 1996
- Name and address of employer Local Health Unit of Legnano (MI) - Italy
- Type of business or sector Environmental monitoring
- Occupation or position held Research fellow
- Main activities and responsibilities
  - Qualitative and quantitative assessment about concentration of pollen grains in the air for the purpose of indicating the relative discomfort that may be experienced by sufferers from hay fever and similar allergies
  - Quality control of drinking water

## EDUCATION AND TRAINING

- Dates (from – to) July 2000
- Name and type of organization providing education and training Faculty of Farmacology - University of Milan - Italy
- Principal subjects/occupational skills covered
  - to identify groundwater and underground waters in risk areas due to pesticide contamination
  - to raise environmental awareness of decision makers and farmers about the use of pesticides in agriculture
- Title of qualification awarded Specialize in Toxicology
- Level in national classification (if appropriate)
- Dates (from – to) November 1995
- Name and type of organization providing education and training University of Pavia - Italy
- Principal subjects/occupational skills covered Certificate of education
- Title of qualification awarded
- Level in national classification (if appropriate)
- Dates (from – to) From September 1994 to September 1995
- Name and type of organization providing education and training Local Health Unit of Legnano (MI) - Italy
- Principal subjects/occupational Environmental monitoring

skills covered

- Title of qualification awarded
- Level in national classification (if appropriate)

- Dates (from – to)

• Name and type of organization providing education and training

• Principal subjects/occupational skills covered

- Title of qualification awarded
- Level in national classification (if appropriate)

- Dates (from – to)

• Name and type of organization providing education and training

• Principal subjects/occupational skills covered

- Title of qualification awarded
- Level in national classification (if appropriate)

### PERSONAL SKILLS AND COMPETENCIES

*Acquired in the course of life and career but not necessarily covered by formal certificates and diplomas.*

### LANGUAGES

MOTHER TONGUE

OTHER LANGUAGES

- Reading skills
- Writing skills
- Verbal skills

SOCIAL SKILLS AND COMPETENCIES

*Living and working with other people, in multicultural environments, in positions where communication is important and situations where teamwork is essential (for example culture and sports), etc.*

ORGANIZATIONAL SKILLS AND COMPETENCIES

*Coordination and administration of people, projects and budgets; at work, in voluntary work (for example culture and sports) and at home, etc.*

TECHNICAL SKILLS AND COMPETENCIES

*With computers, specific kinds of equipment, machinery, etc.*

Apprenticeship post degree

July 1994

University of Milan

Degree in Biological Sciences

Dr Sc Biology

1984

Liceo Scientifico Galileo Galilei di Legnano (MI)

Scientific background

Maturità Scientifica

**Italian**

**English**

Excellent

Excellent

good

Ability in working in group and promoting working in group. Very good ability in public relation with both personnel of public administration, private and trade association.

Ability in managing deadlines, in promoting new activities.

Ability in coordination personnel with different competence and skill.

INFORMATICS: MICROSOFT WINDOWS, MICROSOFT OFFICE (WORD, EXCEL, POWER POINT, PUBLISHER, ACCESS)

OTHER SKILLS  
AND COMPETENCIES

*Competences not mentioned above.*

DRIVING LICENCE(S) Italian Driving License B

ADDITIONAL INFORMATION

ANNEXES

PUBLICATIONS

March, 2014

*Teresa Mammone*
